

Fall 2010

The Arts Scene

Arts Scene is being revived and revised. This is the look of the banner. We hope to have a full newsletter available for our web viewer and as a hand-out for people interested, but without access to the Internet. Our target date is to have the Fall 2010 issue out by the end of October. After that, we will try to have an issue out on the first of March, June, September and December.
